As you completed your nuptials your guests are invited downstairs to an appetizer hour as you and your photographer capture the moment. We then announce Mr. and Mrs. as you descend the stairs into the dining room greeting your guests as you head to your table to begin the wedding dinner. Your guests will dine on a four course meal served by our wait staff. When dinner is finished we whisk away the center tables revealing the dance floor. First Dance, Champagne toast, and cake cutting is to follow. The remainder of the cruise is enjoyed by all on the dance floor and taking in the views on the top deck!
